

Team Contract

Team Name: The Deliverables (work in progress)

GOALS: What are our team goals for this project? What do we want to accomplish? What skills do we want to develop or refine?
1. To deliver all project requirements in a timely manner 2. To determine a scalable, implementable approach within the time constraints using core project management 3. To understand academically and practically how different levels of management operate (their roles and contributions) Skills 1. Team collaboration and communication 2. Time management, cross-time zone management 3. Effective documentation 4. Risk Management
EXPECTATIONS: What do we expect of one another in regard to attendance at meetings, participation, frequency of communication, the quality of work, etc.?
1. Individual collaboration within a team 2. Attendance of at least 80% of meetings 3. Distribute workload equally 4. Communicate if any life obstacles cause delays in contributing to weekly requirements 5. Complete final draft by Thursday before Submission date
POLICIES & PROCEDURES: What rules can we agree on to help us meet our goals and expectations, such as preparatory tasks, generating ideas, evaluating outcomes?
1. Regular attendance and proactive participation 2. Clear communication, including regular interaction, timely discussions and updates of positive results and setbacks 3. Access all documents on OneDrive 4. Setup a GitHub repository 5. Respect and understand each others' roles and make use of each others' skills 6. Uplift eachothers' strengths and learn from weaknesses

ROLES: Which roles do we need in this project and how do we allocate them? Will there be a project lead? Is there a need to rotate roles?
- Product Owner: Analyses the market and budget of the project - o Ruben Marques - Project Manager: Leads the team and ensures deadlines are met - o Hristo Todorov - Business Analyst: Liaison between developers and clients - o Lauren Pechey - Scrum Master: Leads developers, User stories etc. - o Victor Angelier - Development Team Lead - o Arianna Poverini
CONSEQUENCES: How will we address non-performance regarding these goals, expectations, policies and procedures? How do we resolve disagreements?
1. Address and support any issues within reason 2. If a lack of good faith is consistently shown by a team member, a. Communicate with the team member b. Offer support (if needed) c. Find a solution (“What would work for you?”) d. If the above is not adhered to by the team member, involve the Module Tutor to guide the situation 3. Share the workload equally without overriding others’ work

By signing this contract, we confirm that:

- we have participated in formulating these goals, expectations, roles, procedures, and consequences as stated in this contract.
- we agree to abide by the contents of this contract
